

HADITH

Subject: Good word is Sadaqah

Level: Beginners

قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ:
{ الْكَلِمَةُ الطَّيِّبَةُ صَدَقَةٌ } البخاري

The Prophet (peace be upon him) said:

"A good word is Sadaqah."

[Bukhari]

The Meaning of the Hadith

Allah gave us the power to think and speak which makes us different from animals. Allah made us speak so that we can talk and understand each other. When you talk to someone you must think before you speak. Do not say mean things to others. Do not curse anyone and do not lie, because everything we say is written by the angels.

Teach yourself to be nice and helpful. Say assalamu alaykum, good morning, good job, excellent, you look great and all the other good words. Every time you say a good word, Allah will give you a reward for it as if you paid charity.

What would you do?

While you were playing with your friends, you accidentally ran into one of them and he fell down. He became mad and started calling you names. You apologized but he is still angry. What would you do?
